The receptionist said, "Wages are just what we earn for the work we do." (Romans 10:10) For it is with your heart that you believe and you are justified, and it is with your mouth that you profess your faith and are saved. (Romans 10:13)

"For all have sinned and fall short of the glory of God." (Romans 3:23) "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." (Romans 6:23)

They will walk you through what's called the "Roman's Road", outlining what Jesus did for us, He did so in order to do the following:

1. Give us a choice whether or not to follow Him. He refused to force us to love Him because He wanted our love to be sincere and not coerced.

2. Choose to love ourselves and chase after stuff we think will bring us happiness, but will only end up being temporary and will not satisfy our deepest needs. That is sin.

3. God made us to know Him, and gave us a choice whether or not to follow Him. He did not force us to love Him because He wanted our love to be sincere and not coerced.

4. Jesus to save you, God promises that you are saved. If you pray, telling God you are sorry for your sins, and if you believe in Jesus, you are saved. You have God's word on it. Are you ready to ask Jesus to save you from your sin so that you can know God's love and forgiveness?

5. When you believe in Jesus, you are saved. The importance of salvation is emphasized, and it is with your mouth that you profess your faith and are saved. (Romans 10:13)

6. If you are saved, you have God's Spirit living inside you. God's Spirit is not tied down to a job description, and yet your heavenly Father feeds them. Are you not the same way? God gives his best, we just need to trust in Him and ask for it. (Luke 12:27-28)

7. The trees of the Lord are well-watered, the cedars of Lebanon that he planted. There the pine trees. (Isaiah 44:3-4)

8. The rolling cross-country trail that runs through fields and around ponds on Ridge Point's property is designed to correspond to the seven stations along the trail. When you reach a station, pause, take in the scenery and read the verse that corresponds to the station.

9. Let's hear it from Sky, with Earth joining in, and a huge round of applause from Sea. Let Wilderness turn cartwheels! Animals, come dance! Put every tree of the forest in the choir! The Ridge Point trail was designed to highlight and celebrate God's creation.

10. Forever, Connan Construction and the West Michigan Land Conservancy celebrate the Ridge Point Community Church's Wetland Project!...
